

SV-HOUSING LCD

Outdoor Enclosure

OVERVIEW

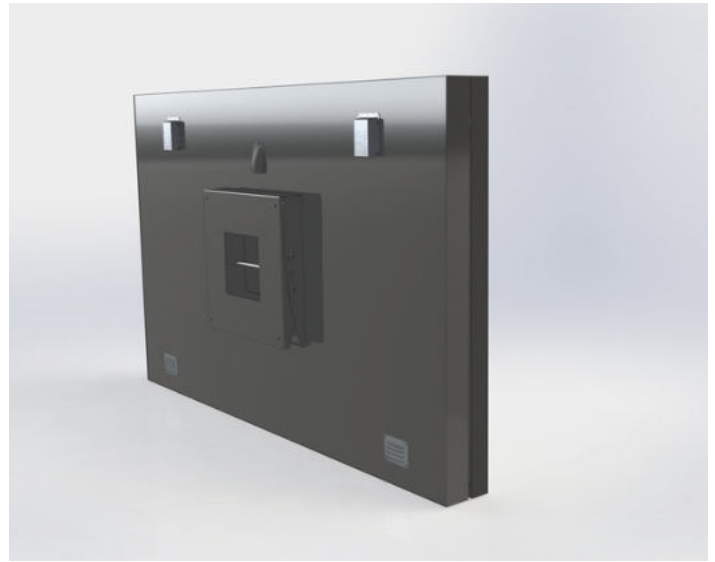

The Outdoor TV Enclosure is sure to turn your outdoor space into the perfect entertainment area.

This sleek enclosure with an adjustable internal mounting system enables any LCD/LED TV to be securely installed. Pre-wired for installation to create a simple plug and play solution.

Other features include an internal fan cooling system to prevent overheating, the choice of anti-reflective, shatterproof glass or Perspex front provides clear viewing whatever the weather conditions.

The IP65 rating provides piece of mind the TV within our enclosure will not be affected by dust, dirt, bugs, and rain. The double locks provides extra security deterring vandalism or theft.
